

CHAMPIONS
FOR CHILDREN
GALA DINNER

Build a brighter tomorrow

Victoria Warehouse
Thursday 20th March 2025

Royal Manchester
Children's Hospital **Charity**

An unforgettable evening!

Every child, no matter their background or the challenges they face, deserves a bright future. But to build that future, they need a strong foundation. Royal Manchester Children's Hospital and Foundation 92, both pillars in our community, are partnering to celebrate the incredible start that we have given to so many children and young people, and to raise funds to support even more to thrive.

Through medical excellence and empowering programs, our two organisations help the children and young people of Manchester to reach their full potential.

By working together, and with your support, we can ensure that the young patients at Royal Manchester Children's Hospital and the young people involved with Foundation 92 share a common future filled with hope, determination, and boundless possibilities.
